Dear Ms Willcock,

It is with the most sincere gratitude that I write to confirm receipt of £155 from the toll bridge collection bucket.

As a Charity, run by volunteers, fundraising such as this is vital to ensuring we can continue to provide our services to local children. We pride ourselves on our open door policy of inclusion for all children, regardless of needs, who wish to attend our preschool. This money will contribute greatly to ensuring that continues.

We hope you will consider us again for another bucket collection later in the year.

Kind regards

Jessica Rolfe
