4th January 2018

To all at The Whitchurch Bridge Company,

A huge Thank you for all the toys that you collected for The Reading Toy Run this Christmas. As you know, the weather was against us on the day and we had to cancel the actual run. Instead we had A Toy Dump where cars (and some intrepid bikers) turned up at the school throughout the day to ensure the kids got their Christmas gifts. All donated gifts were brought to the school and given out that week to Barnardo's projects and other local children's charities.

Your generosity helped to make this a better Christmas for many youngsters.

Thanks again,

Ben Spiller (organiser)
