Subject: Receipt of toll bridge fundraising

Hello,

This email serves as confirmation that Woodcote Pre-School group has received 130.00 pounds from the tollbridge charity bucket. Sorry for the delay in sending this. If any additional information is required for your records, please let me know.

We thank you very kindly for your support of our organisation. Without the generosity of the community, we would have great difficulty providing the services that we do!

Best regards,
Stacey Smith
